Monday 14 October	First day of Term 4
Thursday 31 October	Kinder 2020 Orientation Day
Friday 1 November	TPPS Colour Run
Thursday 7 – Friday 8 November	Year 3 Camp

Dear Parents and Caregivers,

Welcome to Week 6 of Term 3.

The countdown commences for our Concert of Excellence, with the evening performance being sold out.

This week marks the beginning of my fifth year at Tacking Point and I can remember watching the Concert of Excellence for the very first time and was amazed at the professionalism and talents showcased at this prestigious evening. The children involved have known for weeks that they are part of this celebration and they, like every other year, will showcase the talents in our public schools.

Dr Michael Carr-Gregg visit to Port Macquarie

This week we had the opportunity to take Stage 3 students to Hastings Secondary College to listen to the world renowned psychologist, Dr Michael Carr-Gregg. You may recognise him as the resident 'go to expert' who appears regularly on Sunrise advising on all matters of parenting. This was a Hasting Valley Community of Schools initiative aimed at providing our students and the wider community with valuable information to support students and families manage the challenges of adolescence.

Some reflections from our students:

"We need to be responsible online so our parents can trust us and to keep us safe"

"Faking my age on social media is not a good idea"

"If people start chatting to us on line, we shouldn't chat back. It's not safe."

"I will spend less time on technology and wait until I am the right age before using apps like Facebook, Instagram and Snapchat"

There was also a parent session which was both entertaining and incredibly informative. Raising adolescents is undoubtedly a challenge for us all. Promoting our teens' safety, understanding their developing brains, navigating the ups and downs are all difficult tasks. Especially challenging is attempting to do this whilst also preserving our relationships and maintaining harmonious homes.

Dr Carr-Gregg was frank about what parents can do and shouldn't do to support their teens to develop resilience and gave some great key points of reference.

There is more information available at Dr Carr-Gregg's website and he has numerous books on parenting and raising adolescents. We hope to bring Dr Carr-Gregg back to Port Macquarie in the future for more sessions.

Top 5 mistakes Parents make with Teenagers

- Lack of consistency
- Not listening
- Yelling
- Being a friend rather than a parent
- Attacking the person rather than the behaviour

How would a parent know if their child is travelling ok?

- Do they have friends?
- Have they emancipated from adult carers?
- Do they understand and enjoy school?
- Do they have a spark-something that they feel passionate about?

The ranger is still concerned at some of our parking etiquette in the afternoons and they will be increasing their presence over the coming weeks.

A reminder also that the staff carpark is for staff and that it is not to be used for pick-ups. We only have 1 disability parking spot and this spot is reserved for the **children who need this**. Of late, we have had a number of people vying for this spot and gridlocking the carpark, causing frustration for all and increasing the number of children in the car park. There are other safe alternatives for parents/grandparents to collect children. Our kiss and drop zone is one such example. Please don't put our staff in the situation to request you to leave the carpark.

I will be on leave in Week 8 and 9 and Mrs Jordan will be Relieving Principal. Mrs Mangold will be returning during those weeks.

Phil Harris

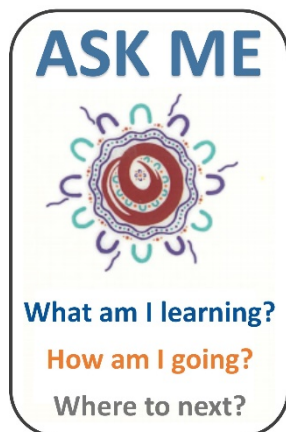

Message from the Deputy Principals

We had the privilege of attending the NOII Symposium in Sydney recently, which saw a team of 300 teachers meeting to share educational stories about their schools along with educational leaders of research such as Professor Helen Timperley, Jann Farmer Hailey, Judy Halbert and Linda Kaser.

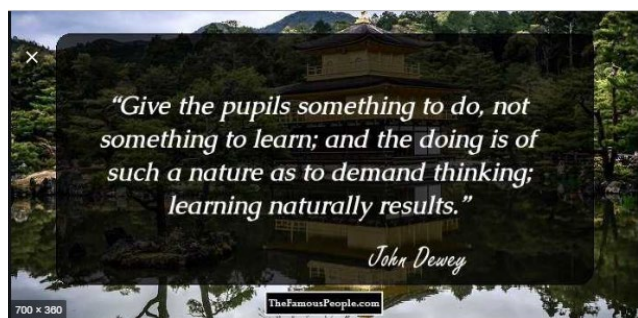

The overarching theme was DOING WHAT MATTERS, encompassing three major focus areas of:

- ♥ Every learner finishing school with dignity, purpose and options
- ♥ All learners leaving our settings more curious than when they arrive
- ♥ All learners gaining an understanding of and respect for Aboriginal way of knowing

Tacking Point PS is on the journey of building capacity in our teachers through structured self-reflective practices which encompasses and promotes student agency. Student agency is developing students as the director in their learning. It is important that students feel valued, have ownership to engage in relevant learning and develop the skills and strategies become comfortable to take risks.

Mindsets for learning are about the way we view the learner. It needs to be student-centred; focussing on building efficacy, be growth orientated, work collaboratively in teams, encourage courageousness and promote curiosity in our learners.

We also would like to take this opportunity to wish all a very **Happy Father's Day** this weekend!

Kelly Jordan and Trevor Thompson

Enrichment Classes

Next year, it is planned that there will again be 2 enrichment classes in our school – one in Stage 2 (Years 3 and 4) and one in Stage 3 (Years 5 and 6).

Students who are invited to be part of these classes will display many of the following attributes:

- higher order thinking skills
- are prepared to challenge themselves academically
- are committed to completing tasks and show determination and dedicated practice
- demonstrate fluency, flexibility and originality of thought
- are willing to extend themselves to achieve these higher standards across a number of learning areas.
- able to work independently
- maturity and emotional resilience
- a love of learning

These attributes will be further developed in these classes. Although these students are working on an alternate program, all mandatory curriculum content will be covered, albeit at a faster pace and with fewer revision opportunities.

The following selection process will begin for 2020.

a) All teachers from Year 2 to Year 5 are asked to nominate any student they feel could benefit from being in the class as high potential and/or are gifted. These students will receive a 'Notice of Nomination' form by Wednesday 4th September 2019.

b) Alternatively, if you feel that your child would benefit from being in this class and he/she has not been nominated, you can nominate your child and they will participate in the selection process. To do this you will need to see Mr Harris before Monday 23rd September.

c) All parents of nominated students will be asked to complete a "Parent Nomination" form to provide the school with additional information to assist in the selection process.

d) All of these students then complete some assessments that cover:

- word knowledge and comprehension
- complex mathematical concepts and problems
- a writing task
- an opportunity to display creative and lateral thinking skills

It is anticipated that the testing will be done in Weeks 3-5 of Term 4.

e) All student results of these assessments are correlated with

- NAPLAN results
- academic results in Semester 1
- class teacher ranking on work habits and attitudes

A committee will then review student rankings. Class numbers are then determined and towards the end of Term 4, the successful students are invited to be in the enrichment class the following year.

It is felt by collecting data from a variety of sources the school is conducting the fairest and most inclusive process for a student to be selected for these classes.

Phil Harris
Principal

Bel Canto to the Sydney Opera House

Selected singers from Bel Canto will be performing in the Concert Hall, of the Sydney Opera House on Monday 2nd September, for the Festival of Choral Music.

We wish them all the very best for a magnificent performance. We would also like to thank their families for supporting this very special event.

Mrs Dayna Moritz & Mrs Elynne Toft

From the Library Information and Resource Centre

Congratulations to the children and their families who have completed their Read Aloud Bookmarks - Term 3 Weeks 3, 4 and 5:

Ms Lea Horan - Teacher Librarian

Book Parade 2019

When: Term 3: Week 7 Wednesday 4th September, 2019

Time: 9:15 - 11:00am

Who: K-6

In celebration of children's literature at our annual TPPS Book Parade, students, toddlers, teachers and parents are invited to come to school dressed in fancy dress costume of a favourite book character.

Some suggested book characters include:

- Classic fairy tales
- Dr Seuss – Cat in the Hat
- Mr Men series
- Enid Blyton characters
- Harry Potter
- Alice in Wonderland

\$10 book donation to our school library

A \$10 donation table will be available on the day where students, staff and parents can select books for a flat price of \$10 per title, to donate to the school library for all of our students to share and borrow to read. Your child's name or family name will be printed onto a special donation certificate at the front of the book and your child will be the first to borrow that title. Any donations would be greatly appreciated by all of our students and staff.

We look forward to sharing this special day and making more wonderful memories!

Ms Lea Horan - Teacher Librarian

Dear parent or carer,

Go4Fun is a healthy lifestyle program for children aged 7 to 13 years, who are above a healthy weight. Best of all it's **absolutely FREE!**

WHEN DOES GO4FUN RUN? Go4Fun runs for 10 weeks after school during the school term, and children attend a fun filled 2-hour session each week with their parent.

WHAT DO WE DO AT GO4FUN? Every week children play fun and interactive games and activities to get their heart rates up and enjoying being active. You and your child learn about healthy eating, setting goals, portion sizes, label reading and more. The child receives up to 3 attendance prizes, and parents a \$20 fresh fruit and vegie voucher each session they attend. School-aged siblings welcome.

Registration for Term 4, 2019 is open with limited places in FREE, FUN Port Macquarie Go4Fun which runs Tuesday afternoons from 3.30 - 5.30pm at Port Macquarie Olympic Pool, starting Tuesday 15 October 2019.

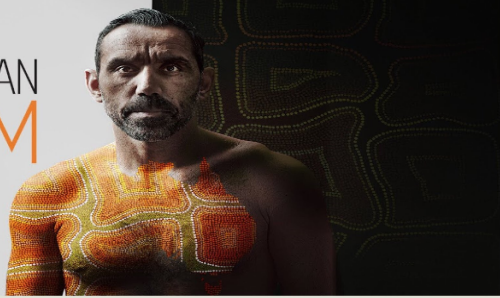

Register NOW at Free call 1800 780 900 or at www.go4fun.com.au

SunSmart Snippet

The simplest way

... to apply sunscreen correctly.

Sunscreen protects against the damaging effects of the sun by reducing the amount of ultraviolet (UV) rays that reach the skin.

Make sunscreen a habit:

- Use SPF 30 or higher, broad spectrum water-resistant sunscreen
- Apply 20 minutes before going outside
- Re-apply every 2 hours (or after any activity that may remove it)

Sunscreen does not block UV radiation and no sunscreen provides 100% protection. Remember to use SunSmart hats, clothing, sunglasses and seek out shade.

To help keep your kids safe in the sun, check your schools SunSmart status by heading to www.sunsmartnsw.com.au
