Week 10, Term 3 2020

25 September 2020

APPROACHING CALENDAR EVENTS

2020	
Monday 12 October	<ul style="list-style-type: none">• First day of Term 4 for students
Weeks 1 & 2	<ul style="list-style-type: none">• Check-in Assessment – Year 3
Friday 30 October	<ul style="list-style-type: none">• Run4Fun Colour Explosion

From Mrs Jordan

Staff spent an extra-long evening at school last week for their professional development. Our teachers pride themselves on being life-long learners and are always up for the challenge to learn and grow in their teaching practice. At Tacking Point this is a direction that we continue to focus on with the ultimate goal to achieve best practice in everything we do. As always I want to thank the staff for consistently embracing education to prepare young people in order to get the best start in life that we can give them.

Always was, Always will be

Under the guidance of Mrs Cherry Nelson, students from 5/6N are excited and very proud to submit entries on behalf of Tacking Point Public School into the NSW Aboriginal Education Consultative Group (AECG) 2020 National Aborigines and Islanders Day Observance Committee (NAIDOC) Art Competition. The 2020 NAIDOC theme is, *Always Was, Always Will Be*.

Enjoy a representation of the art works further on in the newsletter.

Tournament of Minds

We are so thrilled with the achievements of 5/6N this term. As the world changed so did the traditional TOM competition. As many of you would know there is no stopping Mrs Cherry Nelson, she and her students embraced the new challenge and with teamwork, commitment, dedication and creative talent they embarked on the task at hand ... submitting a virtual entry in all disciplines, Social Science, Language Literature, STEM and The Arts. Their success was exceptional; Social Science received 1st place across the State, Language Literature, STEM and The Arts all gained Honours!! We are supremely proud of them all!!

TOURNAMENT - 2020

We're thinking 'outside the box'

School Safety

Thank you for your support with driver and pedestrian safety in and around our school. I understand that parking can be very difficult outside the school grounds, particularly at certain times of the day. It is extremely important you comply with the road and safety rules. Thank you for ensuring the safety of all community.

As the warmer weather is upon us, we ask that you make certain your child comes to school with a school hat. I also suggest that our young people get into the habit of applying sunscreen each morning before they come to school – make it part of the morning routine; wash face, clean teeth, do hair, apply sunscreen.

School Fundraiser

School Run4Fun Colour Explosion - Friday 30th October.

We are about to add an EXPLOSION of colour to Tacking Point Public School and would love you to join in the FUN! TPPS P&C will soon be hosting the Run4Fun Colour Explosion, which is focused on fun and fitness with the added benefit of raising funds for our school.

While our main aim is FUN, FUN, FUN, we encourage all students to fundraise as all money raised will go directly back into benefiting our students.

Mark your diary today...The TPPS Run4Fun Colour Explosion will be held on Friday 30th October. This will be coordinated in a COVID safe manner.

Happy Holidays

Thank you to our staff, students and parents for another great term at Tacking Point Public School. The year so far has certainly been challenging in every way. We have continued to provide our students with as many opportunities in and beyond the classroom. Our amazing teachers are always thinking 'outside the square' challenging themselves and working collectively to bring the best possible education to your children. We value and appreciate the support families provide in working together to be successful in achieving a partnered approach to learning. It's now time to relax a little. I hope everyone finds the time to take a break, recharge their batteries and prepare for another busy term ahead.

Stay safe and well.

Thought for the Week: Happiness is a journey not a destination - enjoy 'something' everyday!

Kelly Jordan

Relieving Principal

Message from the Deputy Principals

Perseverance

So huge in our minds that we are not even ready to take a "re-look" at things. We just quit saying that it was not meant to be! But we need to remember that failure is the only stepping stone to success.

When pursuing our dreams, we have to carry on despite the many obstacles that are likely to present themselves. When these obstacles come up in the form of little failures, we can't afford to give up! It is, in fact, a path that lead us to the fulfilment of our dreams. It's all about having the right attitude.

We want our students to be confident independent learners, willing to take risks and know they are in a safe, supportive and nurturing environment in which they can learn.

We need to teach our children that it is okay to make mistakes. Our mistakes and failures are gifts, guideposts in our learning and growth as people. So, embrace failures, mistakes and shortcomings (*even in our children*) because they not only make us uniquely who we are, but also teach us powerful lessons.

Mistakes/failures teach us....

1. to clarify what we really want and how we want to live.
2. to accept ourselves and that we can be flawed and be loved.
3. to accept our fallibility and face our fears.
4. about ourselves and how to tell our truth.
5. through analysis and feedback, about what works, and what doesn't.
6. to take responsibility.
7. about integrity.
8. to engage in our lives — to live fully.
9. to inspire others.

Resource: Lisabeth Saunders Medlock Ph.D. Don't Fear Failure: Nine Powerful Lessons We Can Learn From Our Mistakes

As we move into the holidays can we remind all drivers to please be safe around our school area. We are a large school that is located in a residential area and traffic is always congested for parking and movement at the start and the end of the school days. Please follow all road rules to maintain the safety of all our students and other drivers.

Mr Rob Harris and Mrs Dayna Moritz Relieving Deputy Principals

From the Library

Congratulations to the children and their families who have completed their Read Aloud Bookmarks end of Term 3 Weeks 9 and 10:

NSW Premier's Reading Challenge (PRC)

"The Challenge aims to encourage a love of reading for leisure and pleasure in students, and to enable them to experience quality literature. It is not a competition but a challenge to each student to read, to read more and to read more widely. The Premier's Reading Challenge (PRC) is open to all NSW students in Kindergarten to Year 9, in government, independent, Catholic and home schools."

<https://online.det.nsw.edu.au/prc/home.html>

This year we have 18 dedicated students who have completed the 2020 NSW PRC, please see the table below.

Of special note is both Keegan Pope 5/6N, who has earned a Gold Certificate for 4 years participation, and also Anastasia Griffiths, who has earned a Platinum certificate for 7 years participation.

Last Name	First Name	Grade	PRC Count Years	Award received 2020
Apthorpe	Flynn	2	3	Challenge completion certificate
Balkin	Isa	2	2	Challenge completion certificate
Barry	Macie	1	2	Challenge completion certificate
Bull	Walter	4	2	Challenge completion certificate
Chapman	Isaac	2	2	Challenge completion certificate
Cooper	Maisie	4	5	Challenge completion certificate
Courtney	Annabelle	1	2	Challenge completion certificate
D'Angelo	Luke	2	2	Challenge completion certificate
Griffiths	Anastasia	6	7	Platinum
Harris	Noah	3	3	Challenge completion certificate
Harris	Zach	K	1	Challenge completion certificate
Jones	Scarlett	K	1	Challenge completion certificate
Ninness	Adeline	1	2	Challenge completion certificate
Parmar	Gayatri	5	3	Challenge completion certificate
Pope	Hamish	2	3	Challenge completion certificate
Pope	Keegan	5	4	Gold certificate
Sallustio	Toby	K	1	Challenge completion certificate
Sharp	Ella	K	1	Challenge completion certificate

Congratulations to these students and their families for such consistent effort!

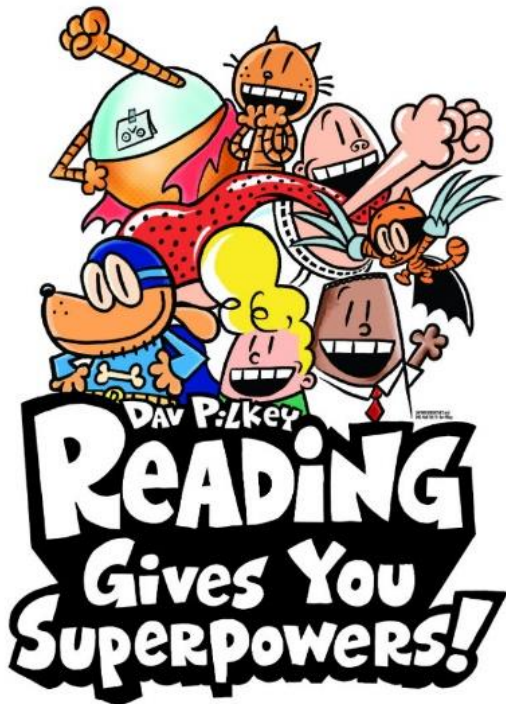

The 2021 challenge is expected to start in early March next year if you are interested in your child participating.

If you would like more information about this annual challenge, please see the following website link for more information and instructions.

<https://online.det.nsw.edu.au/prc/home.html>

Did you know there are three different types of reading?

1. Reading silently for leisure and pleasure
2. Reading for meaning to inform - comprehension
3. Reading aloud to an audience

The library operates a whole school K-6 'Reading aloud' rewards program. It is very easy and a great way to establish healthy 'reading routine' life habits for your family.

Children read aloud to an adult or high school student for ten minutes per day, with emphasis on fluency, punctuation, expression and inflection. (Only one signature a day please.)

With your child choose a text with lots of dialogue preferably, an easy read for your child. They are not reading for meaning/comprehension. We are focusing on practicing their oral reading skills. Thus the child may read the same book or chapter for several days in a row, to polish their performance.

From the school library your child needs to collect a 'Read aloud bookmark', which serves as a reading log to register readings. Just sign your name to verify the reading has taken place.

You do not need to record the title of the book or how many pages etc.

All you need is your child's first AND last name, class, then 14 days of reading ten minutes. For most classes – that will be a given task each week from their home room teacher. If that is the case for your child, just sign off. They don't need to do double the reading. They just get double the praise and recognition!

The students return the completed bookmark back to the library in either their library lesson, before or after school or lunch breaks for a 'Commendation Award,' which contributes to the whole school rewards system. Students also choose a small prize such as stickers or bookmark. Their name gets published in the School newsletter for that fortnight as well.

I'd like to encourage all parents to utilise this simple routine to build sound literacy skills for your children. That being students able to read fluently and with expression, with little or no preparation, aloud to an audience.

Reading aloud with confidence and fluency, is a very important life skill for the 21st Century. Much employment, secondary and tertiary education, includes being able to work collaboratively in groups of colleagues to complete tasks etc.

Any questions or concerns, please do not hesitate to call me.

Here's a log to get you started today ;)

Intention to apply for Year 7 placement in a selective high school in 2022

Dear Parent/Carer

Selective high schools cater for academically gifted students with high potential who may otherwise be without sufficient classmates at their own academic standard. Selective high schools help these students to learn by grouping them with students of similar ability, and by using specialised teaching methods.

Applications for selective high school placement are considered mainly on the basis of the Selective High School Placement Test results and school assessment scores. The Selective High School Placement Test will be held on Thursday 11 March 2021.

If you would like to have your child considered for Year 7 selective high school entry in 2022, you need to apply on the internet using a valid email address (not the student's email address).

Detailed instructions on how to apply online will be available in late September 2020 at <https://education.nsw.gov.au/public-schools/selective-high-schools-and-opportunity-classes/year-7>.

The application website opens at that link on 6 October 2020 and closes on 9 November 2020. You must apply before the closing date.

There are no paper application forms. If you do not have internet access, you could apply at a public library. If you have a disability that prevents you from using a computer, you can contact the Team for assistance after 6 October 2020.

You must submit only ONE application for each student.

The tear-off slip below is not an application and the school cannot apply on your behalf.

Yours sincerely

Relieving Principal

Cut along the dotted line and return the completed slip below to this school by _____.

THIS IS NOT AN APPLICATION FOR ENTRY TO A SELECTIVE HIGH SCHOOL.

This is a notice to your primary school only that you intend to apply.

TO APPLY YOU WILL NEED TO REGISTER AND THEN APPLY THROUGH THE HIGH PERFORMING STUDENTS WEBSITE:

NAIDOC Art Competition

Always Was, Always Will Be

Our class 5/6N entered the NAIDOC Art Competition as we had learnt about Aboriginal culture, European arrival and the history of Australia and went into greater depth of knowledge in Term 1. We were all keen to enter this competition and transfer our knowledge into a visual representation. We are all great artists and produced a wide variety of unique artworks, each displaying our love and understanding of Aboriginal culture and history. The theme 'Always Was, Always Will Be' created a lot of excitement as many people had many ideas and were extremely keen to express them visually. Each artwork carries a meaning, a purpose and a story. We are all proud of our efforts and wait hopefully for the results. However, at the end of the day we'll all come home a winner knowing we did our best and having a better understanding of Aboriginal culture.

Sophie Soeyland on behalf of 5/6N

Uniform Shop

UNIFORM SHOP

**** Counter Sales: Every Monday 8.30-9.30 in the hall****

Uniforms can be viewed and purchased via the P&C's Qkr! Payment site

We are back!

You are able to visit us in the hall between 8.30-9.30am every Monday! In addition to the shop hours we will continue to process QKR! orders on Monday and Thursday every week. Please ensure that QKR! orders are in prior to 8am, Monday and Thursday for classroom delivery on the same day.

P&C Update

Dear Parents & Citizens,

As we reflect on Term 3, it has been a very challenging time for all. We thank you all for your patience, and we hope you are all fit and healthy.

I would like to thank our canteen staff Leanne and Sandy for their diligence, creativity and perseverance in making sure the canteen services for our children are continued. I would also like to thank our volunteers for providing support to our canteen which has been very busy, particularly the last few weeks. We are very fortunate to have a great community willing to step up and provide help where needed.

Our uniform shop is getting ready for the new Kindy's for 2021. More information to come in Term 4.

We had our very first Zoom meeting this month. A little different to what we are used to, but a great experience to be part of. Hopefully with relaxed social distancing requirements in the future, we can hold our next meeting in November face to face.

We would normally have a Fete/ Fair in planning stages ready for Term 4, unfortunately, this was not an option this year. Fingers crossed that we will be in a position to review this again for next year. The main fundraiser this year will be the Colour run. Please get behind this great initiative.

Kind regards

Tim Inman
P&C President

Tuckerbox Canteen

The Canteen is open for recess, lunch orders and counter sales last day of Term 3.

Sprockets! KINDY KIDS

School Readiness Program

Kindy Kids offers those children starting big school next year, the chance to take part in sports lesson which focus on developing the necessary skills required as they start their formal schooling. Kindy Kids will develop age appropriate learning concepts and expectations such as:

- Listening skills and the ability to follow directions.
- Social skills - turn taking, cooperation, teamwork.
- Positive self-esteem and confidence.
- Resilience and a growth mindset.
- Number, sequence and counting skills.

Lessons will have a strong emphasis on team games and sportsmanship, as well as the notions of winning and losing, which will help your child navigate the playground at big school.
